Affidavit for Virginia Contractor's Licensing Law – Please Read

I affirm that I am the owner/agent of a certain tract above located in Greene County and that I have applied for a permit to erect a structure on said land and/or repair/improve structure on said land. I certify that I have the consensus/approval of all property owners to apply for this permit.

I affirm that I am aware of provisions of Title 54.1 Chapter 11, Code of Virginia that requires a contractor to be properly licensed before he may bid or undertake contracting work of \$1,000 or more. I further certify that I am familiar with the responsibilities of a awarding authority specified in Section 54.1111 of the Code which prohibits any awarding authority from issuing permits or allowing the issuance of such permits to any contractor not properly licensed under the provisions of the Code, and that to do so would constitute the commission of a misdemeanor.

This permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.

It is my responsibility to insure adherence to all zoning, building and erosion/sediment control regulations applicable in this jurisdiction. I understand that state law prohibits illegal contracting. All contractors need a state and county license.
