ARTICLE I

AUTHORITY, PURPOSE, GENERAL PROVISIONS

101.00 AUTHORITY TO ESTABLISH ZONING

Whereas, by act of the General Assembly of Virginia as recorded in Title 15.2, Chapter 22, Code of Virginia, 1950, as amended, the governing body of any county or municipality may, by ordinance, classify the territory under its jurisdiction into districts of such number, shape, and size as it may deem best suited to carry out the purpose of zoning, and in each district it may regulate the following:

- 101.01 The use of land, buildings, structures, and other premises for agricultural, business, industrial, residential, floodplain and other specific uses;
- 101.02 The size, height, area, bulk, location, erection, construction reconstruction, alteration, repair, maintenance, razing, or removal of structures;
- 101.03 The areas and dimensions of land, water, and air space to be occupied by buildings, structures, and uses, and of courts, yards, and other open spaces to be left unoccupied by uses and structures, including variation in the sizes of lots based on whether a public of community water supply or sewer system is available and in use;
- 101.04 The excavation or mining of soil or other natural resources.

102.00 ENACTMENT

Therefore, be it ordained by the Town Council, Town of Stanardsville, Virginia for the purpose of promoting the health, safety, or general welfare of the public and of further accomplishing the objectives of Title 15.2, Chapter 22, of the Code of Virginia, as amended that the following be adopted as the Zoning Ordinance of the Town of Stanardsville, Virginia.

103.00 PURPOSES

The Town of Stanardsville Planning Commission and Town Council have undertaken to achieve the delicate balance between the individual property rights of their citizens and the health, safety and general welfare of the public and accomplish the objectives of Title 15.2, Chapter 22, by reasonable restrictions on those property rights. The purposes of this ordinance are:

- 103.01 To provide for adequate light, air, convenience of access, and safety from fire, flood and other dangers;
- 103.02 To reduce or prevent congestion in the public streets;
- 103.03 To facilitate the creation of a convenient, attractive and harmonious community;
- 103.04 To facilitate the provision of adequate police and fire protection, disaster evacuation, civil defense, transportation, water, sewerage, flood protection, schools, parks, forests, playgrounds, recreational facilities, airports, and other public requirements;
- 103.05 To protect against destruction of or encroachment upon historic areas;
- 103.06 To protect against one or more of the following:
overcrowding of land, undue density of population in relation to the community facilities existing or available, obstruction of light and air, danger and congestion in travel and transportation, or loss of life, health, or property from fire, flood, panic or other dangers;
- 103.07 To encourage economic development activities that provide desirable employment and enlarge the tax base.

104.00 NONEXCLUSIONARY INTENT

It is not the intent of this ordinance to exclude any economic, racial, religious, or ethnic group from enjoyment of residence, land ownership, or tenancy within the Town of Stanardsville nor is it the intent of this ordinance to use public powers in any way to promote the separation within the Town of Stanardsville of economic, racial, religious, or ethnic groups, except as may be an incidental result of meeting the purposes outlined in Section 103, herein.

105.00 DIVISION OF THE TOWN OF STANARDSVILLE INTO DISTRICTS

105.01 For the purpose of this ordinance, the incorporated area of the Town of Stanardsville, Virginia, is hereby divided into the following districts:

- Low Density Residential—R-1
- Medium Density Residential—R-2
- High Density Residential—R-3
- Residential-Commercial—RC

105.02 Any real estate in a designated agricultural district as defined by Va. Code 15.1-1506, et. seq. at the time of the enactment of this ordinance shall not be given a zoning classification as stated in 105.-1 until such time as the real estate ceases to be a part of the agricultural district.

106.00 INCORPORATION OF THE ZONING MAP

The zoning map entitled the “Official Zoning Districts Map for the Town of Stanardsville, Virginia”, dated the effective date of this ordinance showing the locations and boundaries of districts, hereinafter referred to as the Official Zoning Map, with all notations, references, amendments and dates thereof, and other information shown thereon, shall constitute a part of this Ordinance. Said map shall be made a public record and shall be kept permanently in the office of the Zoning Administrator, where it shall be accessible to the general public.

107.00 MAP AMENDMENT

If, in accordance with the provisions of Article X herein, changes are made in district boundaries or other information portrayed in the Official Zoning Map, within ten (10) days after the amendment has been approved by the governing body such changes shall be entered on the Official Zoning Map together with a numerical entry referring to the application for the amendment, submitted in accordance with Article X. Said numerical entry and application shall be kept as a public record by the Zoning Administrator and the date of the approval of the amendment shall be the final authority in determining the current zoning status of land and water areas, buildings, and other structures in the Town. No changes of any nature shall be made in the Official Zoning Map except in accordance with the procedures set forth herein.

108.00 GENERAL DEFINITIONS

Except as otherwise provided herein, all words shall have the customary dictionary meaning. The present tense includes the future tense. The singular number includes the plural and the plural includes the singular. The masculine gender includes the feminine and neuter genders. The word “person” includes a firm, corporation, association, organization, trust or partnership. The word “shall” is always mandatory. The word “used” or “occupied” as applied to any land or building shall be construed to include the words “intended, arranged, or designed to be used or occupied.”

109.00 SPECIFIC DEFINITIONS

When used in this Ordinance the following words and phrases shall have the meaning given in this Section:

109.01 Abattoir. A commercial slaughter house.

- 109.02 Accessory Use or Structure. A subordinate use or structure customarily incidental to and located upon the same lot occupied by the main use or building. Garages or other accessory structures, such as carports, porches and stoops if attached to the main building shall be considered part of the main building.
- 109.03 Acreage. A parcel of land, regardless of area, described by metes and bounds which is not a numbered lot on any recorded subdivision plat.
- 109.04 Administrator, The. The official charged with the enforcement of the zoning ordinance. He may be any appointed or elected official who is by formal resolution designated to the position by the governing body. He may serve with or without compensation as determined by the governing body.

- 109.113 Variance. A variance is a relaxation of the terms of the Zoning Ordinance where such variance will not be contrary to the public and not the result of the action of the applicant, a literal enforcement of the Ordinance would result in unnecessary and undue hardship. As used in this Ordinance, a variance is authorized only for parking area height, and size of structure or size of yards and open spaces; establishment or expansion of a use otherwise prohibited shall not be allowed by variance, nor shall a variance be granted because of the presence of nonconformities in the zoning division or district or adjoining zoning divisions or districts.
- 109.114 Yard. A space on the same lot with a main building, such space being open, unoccupied, and unobstructed by buildings from the ground to sky except where encroachments and accessory buildings are expressly permitted.
- 109.115 Yard, Front. An open unoccupied space, excluding steps, on the same lot with the main building, extending the full width of the lot and situated between the right-of-way line and front line of the building projected to the side lines of the lot. On corner lots, the depth of the front yard shall

be considered as parallel to the street upon which the lot has its least dimension.

109.116 Yard, Rear. An open space on the same lot with the main building, such space being unoccupied except possibly by an accessory building and extending the full width of the lot and situated between the rear line of the lot and the rear line of the main building projected to the side lines of the lot. On all corner lots the rear yard shall be the opposite end of the lot from the front yard.

109.117 Yard, Side. An open, unoccupied space on the same lot with a main building, situated between the side line of the building and the adjacent side line of the lot extending from the rear line of the front yard to the front line of the rear yard. If no front yard is required, the front boundary of the side yard shall be the front line of the lot and if no rear yard is required, the rear boundary of the side yard shall be the rear line of the lot. On corner lots, the side yard shall be considered as parallel to the street upon which lot has its greatest dimension.

ARTICLE VI

NONCONFORMING USES

600.00 CONTINUATION

600.01 If, on the effective date of this ordinance any legal activity is being pursued or any lot or structure is legally utilized in a manner or for a purpose which does not conform to the provisions of this chapter, such manner of use or purpose may be continued as herein provided.

600.02 If any change in title of possession or renewal of a lease of any such lot or structure occurs, the use existing may be continued.

600.03 Except as otherwise provided herein, if any nonconforming use, structure or activity is discontinued for a period exceeding one (1) year after the effective date of this ordinance, it shall be deemed abandoned and any subsequent use shall conform to requirements of this chapter.

600.04 Whenever a nonconforming structure, lot or activity has been changed to a more limited nonconforming use, such existing use may only be changed to an even more limited use.

601.00 RESERVED

602.00 REPAIRS AND MAINTENANCE PERMITTED

On any building devoted in whole or in part to any nonconforming use, work may be done in any period of twelve (12) consecutive months on ordinary repairs or on repair or replacement on nonbearing walls, fixtures, wiring or plumbing, to an extent not exceeding ten (10) percent of the current replacement value of the structure, provided, that the cubic content of the structure as it existed on the effective date of this ordinance or the date of subsequent amendment hereto, shall not be increased. Nothing in this section shall be deemed to prevent the strengthening or restoring to a safe condition of any structure or part thereof declared to be unsafe by any official charged with protecting the public safety upon order of such official.

603.00 NONCONFORMING USES, ETC., RESULTING FROM CHANGES
IN DISTRICT BOUNDARIES

Whenever the boundaries of a district are changed, any uses of land or buildings which become nonconforming as a result of such change shall become subject to the provisions of this article.

604.00 EXPANSION OR ENLARGEMENT

604.01 A nonconforming structure to be extended or enlarged shall conform to the provisions of this chapter.

604.02 A nonconforming activity may be extended throughout any part of a structure which was arranged or designed for such activity as of the effective date of this ordinance.

605.00 NONCONFORMING LOTS

Any undeveloped lot of record as of the effective date of this ordinance which is less in area or with than the minimum required by this ordinance may be used when the requirements regarding setbacks, side and rear yards of the district in which such lot is located are met.

606.00 RESTORATION OR REPLACEMENT

606.01 If a nonconforming structure is destroyed or damaged through fire, flood, act of God, and through no intent of the owner or operator, the nonconforming structure may be replaced so long as the repair or rebuilding is started within twelve (12) months of the date of destruction and completed within twenty-four (24) months of the date of destruction. The administrator may extend the completion date and additional six (6) months for good cause based upon hardship arising from severe weather delays; labor problems not caused by the owner or operator; illness; or other reasons beyond the control of the owner or operator. The replacement structure shall include no more than a ten (10) percent increase in the square footage size of the destroyed or damaged structure. The plans for the repaired or rebuilt structure shall be compatible in design to those buildings in the same general area. Any person aggrieved by any decision of the Administrator under this paragraph may appeal the decision to the Board of Zoning Appeals in accord with 903.00.

- 800.02 Church Bulletin Boards. One (1) church bulletin board, not exceeding twenty-four (24) square feet in area, when erected or displayed on the property of the church, provided, that when a church faces more than one (1) street, one (1) such church bulletin board may be erected or displayed on each street frontage. Church bulletin boards shall be set back at least ten (10) feet from the front lot line.
- 800.03 Identification Signs. One (1) sign, not exceeding ten (10) square feet in area, for the purpose of showing the name and use of a convent, monastery, seminary, country club public building, public park or playground, community building, hospital, sanitarium, cemetery, institute if private school, nursing home, children's home, orphanage, fraternal organization or apartments, when such use is permitted in a residence zone and such sign is erected or displayed on the property so identified. Such identification signs shall be set back at least ten (10) feet from the front lot line.
- 800.04 Subdivision Signs. Signs, not exceeding fifteen (15) square feet in area, for the purpose of advertising or identifying a housing development or subdivision, when erected or displayed on the property so advertised or identified at least ten (10) feet from the front lot line, provided that only one (1) such sign shall be erected or displayed facing any one (1) street on the perimeter of such development or subdivision.
- 800.05 Temporary Signs. One (1) contractor's sign, not exceeding eight (8) square feet in area, and subcontractors' signs not exceeding eight (8) square feet in area each, when erected or displayed on the premises upon which building operations are being conducted,

provided that such signs shall be removed upon completion of the work.

800.06 Real Estate Signs, not exceeding a total sign area of twelve (12) square feet in area, for the purpose of advertising the sale, lease or future use of real estate, when erected or displayed on the property so advertised.

801.00 RESIDENTIAL-COMMERCIAL DISTRICT

In the residential-commercial district, the following signs shall be permitted:

801.01 Any signs permitted in the residential zone, at the setback requirement;

801.02 Signs advertising only the general business conducted within the premises upon which such signs are erected or displayed;

801.03 Real estate and contractors' signs as specified in subsections 800.05 and 800.06.

801.04 Signs permitted within a commercial district shall be erected or displayed only on such walls of a building as face a street, alley or parking area, or as freestanding signs upon the lot, subject to the following provisions as to size and location:

(1) One-story buildings. The total area of all signs facing a street, alley or parking area shall not exceed two (2) square feet for each foot of building width facing such street, alley or parking area.

(2) First floor businesses in multistory buildings. The total area of all signs facing a street, alley or parking area shall not exceed two (2) square feet for each foot of building width facing the street, alley or parking area, provided that all such signs shall be kept within a height of twenty (20) above the sidewalk.

(3) Upper stories of multistory buildings containing one (1) or more businesses above the first floor. The total area of all signs facing a street, alley or parking area on any wall above the twenty (20) foot height specified in paragraph (2) above shall not exceed forty (40) square feet or one-fortieth of the area of that wall above such twenty (20) foot height, whichever is greater.

(4) Multistory buildings occupied by one business only. Where entire buildings over one story in height are occupied by one (1)

business, a total sign area of one hundred (100) square feet facing any street, alley or parking area, or of one-fortieth of the wall area facing such street, alley or parking area, whichever is greater, may be substituted for the allowable sign areas specified in paragraphs (2) and (3) above; and such case, the sign may be located without regard to the twenty (20) foot height provisions contained in paragraph (2) above.

(5) Signs hung on marquees. No sign shall be hung on a marquee, canopy or portico if such sign shall extend beyond the established setback line. The area of any such sign shall be included in determining the total area of signs erected or displayed.

(6) Projection and height of signs. A sign shall be erected or displayed flat against a wall or at an angle thereto, but no sign shall project beyond the established setback line. The bottom of a sign, the area of which exceeds six (6) square feet, erected flat against a wall, shall not be less than eight (8) feet above the sidewalk, alley or parking area. The bottom of a sign projecting from a wall shall neither be less than ten (10) feet above the walkway or parking area, nor less than fourteen (14) feet above an alley.

(7) Freestanding signs. Freestanding signs upon a lot may be erected or displayed only where drive-in service or parking is provided, leaving a distance between the building and the side lot line of twenty-five (25) feet or more or where a building is set back twenty-five (25) or more feet from the front lot line, provided that not more than two (2) such freestanding signs shall be permitted for any building or building unit having a street frontage with such drive-in service area, parking area or building setback. No signs other than those indicated on the sign application shall be attached to a freestanding sign. Freestanding signs shall not be erected more than thirty (30) feet above grade, nor projected beyond the established setback line and shall not exceed one hundred (100) square feet in area. Where signs are erected as freestanding signs upon the lot, the total area of all signs permitted by this section shall be two (2) square feet for each foot of lot frontage, provided that signs erected or displayed on any building or buildings on such lot shall conform to the requirements and restrictions contained in the other paragraphs of the section.

(8) Identification signs. Identification signs for shopping centers consisting of five (5) or more separate businesses and having a continuous street frontage of at least two hundred (200) feet shall be permitted, and the area of such signs shall not be included in the total area of signs otherwise permitted in this section for the

separate businesses. The total area of such identification signs for any shopping center shall not exceed one (1) square foot for each foot of street frontage, nor shall the total area of such signs facing any street, alley or parking area exceed one hundred and fifty (150) square feet.

(9) Advertising theater acts, etc. Signs advertising the acts or features to be given in a movie theater or theaters may be displayed on permanent frames erected on theater buildings in accordance with the provisions of this section as to size and location, provided that the bottom of any such frame erected flat against a wall may be less than eight (8) feet above the sidewalk, alley or parking area; and provided further, the area of any such frame facing any street, alley or parking area does not exceed twenty-four (24) square feet.

802.00 BILLBOARDS PROHIBITED

Billboards and general advertising signs are prohibited in all zones.

803.00 ILLUMINATION

803.01 The light from any illuminated sign shall not cause direct glare into or upon any building or property other than the building or property to which the sign may be related.

803.02 No sign shall display flashing or intermittent lights or other lights of changing degrees of intensity, brightness or color, except a sign indicating time or temperature, with changes alternating on not less than a five-second cycle when such time or temperature sign does not constitute a public hazard in the judgment of the zoning administrator.

803.03 No colored lights shall be used at any location or in any manner so as to be confused with, or constituted as, traffic control devices.

803.04 Neither the direct nor reflected light from primary light sources shall create a traffic hazard to operators of motor vehicles on public thoroughfares.

804.00 ADMINISTRATION OF SIGNS

804.01 No person shall erect or cause to be erected any sign, except temporary event signs, unless and until a permit has been obtained from the zoning administrator. A fee, as determined by the Town Council, shall be paid by the applicant in order to cover the cost incident to the issuance of such permit and upon a finding by the zoning administrator that the proposed sign conforms to the requirements of this ordinance. (Amended 3/14/11)

804.02 Any sign lawfully in existence at the time of the effective date of this ordinance may be maintained although it does not conform to the provisions of this ordinance. If any nonconforming sign is destroyed or damaged in any manner, to the extent that the cost of restoration to its condition before the occurrence shall exceed fifty (50) percent of the cost of reconstructing such sign, it shall be restored only if such use complied with the requirement of this ordinance.

ARTICLE IX

BOARD OF ZONING APPEALS

900.00 CREATING A BOARD OF ZONING APPEALS

900.01 A board consisting of five members shall be appointed by the circuit court of the county. The board shall serve without pay other than for traveling expenses, and members shall be removable for cause upon written charges and after a public hearing. Appointments for vacancies occurring otherwise than by expiration of term shall in all cases be for the unexpired term.

900.02 The term of office shall be for five years; except, that of the first five members appointed, on shall serve for five years, one for four years, one for three years, one for two years and one for one year. One of the five appointed members shall be an active member of the planning commission.

900.03 Members may be removed for cause by the appointing authority upon written charges and after a public hearing.

900.04 Any member of the board shall be disqualified to act upon a matter before the board with respect to property in which a member has an interest.

900.05 The board shall choose annually its own chairman and vice-chairman who shall act in the absence of the chairman.

901.00 POWERS AND DUTIES OF BOARD

The board of zoning appeals shall have the following powers and duties:

901.01 To hear and decide appeals from any order, requirements, decision, determination made by an administrative officer in the administration of enforcement of this ordinance or of any ordinance adopted pursuant thereto.

901.02 To authorize upon appeal in specific cases such variance from the terms of this ordinance as will not be contrary to the public interest, when, owing to special conditions, a literal enforcement of the provisions will result in unnecessary hardship; provided, that the spirit of this ordinance shall be observed and substantial justice done, as follows:

(1) When a property owner can show that his property was acquired in good faith and where by reason of the exceptional narrowness, shallowness, size or shape of a specific piece of property as of the effective date of this ordinance, or where by reason of exceptional topographic conditions or other extraordinary situation or condition of such piece of property, or of the use or development of property immediately adjacent thereto, the strict application of the terms of the ordinance would effectively prohibit or unreasonably restrict the use of the property or where the board is satisfied, upon the evidence heard by it, that the granting of such variance will alleviate a clearly demonstrable hardship approaching confiscation, as distinguished from a special privilege or convenience sought by the applicant, provided that all variances shall be in harmony with the intended spirit and purpose of the ordinance.

(2) No such variance shall be authorized by the board unless it finds: (a) that the strict application of the ordinance would produce undue hardship; (b) that such hardship is not shared generally by other properties in the same zoning district and the same vicinity; and (c) that the authorization of such variance will not be of substantial detriment to adjacent property and that the character of the district will not be changed by the granting of the variance.

(3) No such variance shall be authorized except after notice and hearing as required by Section 15.2-2204 of the Code of Virginia. The required application fee shall be determined by the Town Council. (Amended 3/14/11)

(4) No variance shall be authorized unless the board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to the ordinance.

(5) In authorizing a variance the board may impose such conditions regarding the location, character, and other features of the proposed structure for use as it may deem necessary in the public interest, and may require a guarantee or bond to insure that the conditions imposed are being and will continue to be complied with.

902.00 RULES AND REGULATIONS

902.01 The board of zoning appeals shall adopt such rules and regulations as it may consider necessary.

- 902.02 The meeting of the board shall be held at the call of its chairman or at such times as a quorum of the board may determine.
- 902.03 The chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses.
- 902.04 The board shall keep minutes of its proceedings showing the vote of each member upon each question, or it absent or failing to vote indicating such fact. It shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.
- 902.05 All meetings of the board shall be open to the public.
- 902.06 A quorum shall be at least three (3) members.
- 902.07 A favorable vote of three (3) members of the board shall be necessary to reverse any order, requirement, decision, or determination of any administrative official or to decide in favor of the applicant on any matter upon which the board is required to pass.

903.00 APPEAL TO THE BOARD OF ZONING APPEALS

An appeal to the board may be taken by any person aggrieved or by an officer, department board or bureau of the county or municipality affected by any decision of the zoning administrator. Such appeal shall be taken within thirty days after the decision appealed from by filing with the zoning administrator, and with the board, a notice of appeal specifying the grounds thereof. The zoning administrator shall forthwith transmit to the board all the papers constituting the record upon which the action appealed was taken. An appeal shall stay all proceedings in furtherance of the action appealed from unless the zoning administrator certifies to the board that by reason of facts stated in the certificate a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order granted by the board or by a court of record, on application and on notice to the zoning administrator and good cause shown.

904.00 APPEAL PROCEDURE

- 904.01 Appeals shall be mailed to the board of zoning appeals in care of the zoning administrator and copy of the appeal mailed to the secretary of the planning commission. A third copy should be

mailed to the individual official, department, or agency concerned if any.

904.02 Appeals requiring an advertised public hearing shall be accompanied by the required application fee as determined by the Town Council. (Amended 3/14/11)

905.00 PUBLIC HEARING

The board shall fix a reasonable time for the hearing of an application or appeal, give public notice thereof as well as due notice to the parties of interest and decide the same within sixty (60) days. In exercising its powers the board may reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from.

906.00 DECISION OF BOARD OF ZONING APPEALS

906.01 Any person or persons jointly or severally aggrieved by any decision of the board of zoning appeals, or any taxpayer or any officer, department, board, or bureau may present to the circuit court of Greene County a petition specifying the grounds on which aggrieved within thirty days after filing of the decision in the office of the board.

906.02 Upon the presentation of such petition, the court shall allow a writ of certiorari to review the decision of the board of zoning appeals and shall prescribe therein the time within which a return thereto must be made and served upon the realtor's attorney, which shall not be less than ten (10) days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order.

906.03 The board of zoning appeals shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The returned copies shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decisions appealed from and shall be verified.

906.04 If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence of appoint a commissioner to take such evidence as it may direct and report the same to the court with his findings of fact

and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

906.05 Costs shall not be allowed against the board unless it shall appear to the court that it acted in bad faith or with malice in making the decision appealed from.

1002.03 If no distance, angle, curvature, description or other means is given to determine a boundary line accurately and the foregoing provisions do not apply, the same shall be determined by the use of the scale shown on said zoning map. In the case of subsequent dispute, the matter shall be referred to the board of zoning appeals which shall determine the boundary.

1003.00 SEVERABILITY

Should any section or provision of this ordinance be decided by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the ordinance as a whole, or any part thereof, other than the part so held to be unconstitutional or invalid.

1004.00 EFFECTIVE DATE

This zoning ordinance of the Town of Stanardsville, Virginia, shall be effective at and after 8:00 p.m., May 12, 1986.

1005.0 AMENDMENTS AND REZONING

1005.01 The regulations, restrictions and boundaries established in this ordinance may from time to time be amended, supplemented, changed, modified or repealed by the governing body pursuant to Section 15.2-2285 of the Code, as follows: (Amended 1/6/05)

1005.02 By the filing with the zoning administrator of a petition by owners or contract owners of land proposed to be rezoned, which petition shall be accompanied by the required application fee as determined by the Town Council; or, (Amended 3/14/11)

1005.03 By the adoption of the Town Council of a resolution of intent to amend which resolution, upon adoption shall be referred to the planning commission; or

1005.04 By the adoption by the planning commission of a resolution of intent to propose an amendment.

1005.05 The planning commission shall hold at least one public hearing on such proposed amendment after notice as required by Section 15.2-2204 of the Code, and may make appropriate changes in the proposed amendment as a result of such hearing. Upon the completion of its work, the commission shall present the proposed

amendment to the governing body together with its recommendations and appropriate explanatory materials.
(Amended 1/6/05)

1005.06 Before approving and adopting any amendment, the governing body shall hold at least one (1) public hearing thereon, pursuant to public notice as required by Section 15.2-2204 of the Code, after which the governing body may make appropriate changes or corrections in the proposed amendment, provided, however, that not additional land may be zoned to a different classification than was contained in the public notice without an additional public hearing after notice required by Section 15.2-2204 of the Code. An affirmative vote of at least a majority of the members of the governing body shall be required to amend the zoning ordinance.
(Amended 1/6/05)

1005.07 In the event that the governing body shall deny the petition of any property owner or other petitioner to amend this ordinance, substantially the same petition shall not be reconsidered for a period of one (1) year from the date of the original denial by the governing body.

1006.00 VIOLATIONS AND PENALTIES

1006.01 All departments, officials, and public employees of this jurisdiction which are vested with the duty or authority to issue permits or licenses shall conform to the provisions of this ordinance. They shall issue permits for uses, buildings or purposes only when they are in harmony with the provisions of this ordinance. Any such permit, if issued in conflict with the provisions of this ordinance, shall be null and void.

1006.02 Any person, firm or corporation, whether as principal, agent, employed or otherwise, violating, causing or permitting the violation of any of the provisions of this ordinance shall be guilty of a misdemeanor and, upon conviction thereof, may be fined up to two hundred and fifty dollars (\$250.00). Each day upon which violation continues shall constitute a separate offense.

1007.00 APPLICATION PROCEDURE FOR PERMITTED USES

Applications for a zoning permit shall be submitted to the zoning administrator according to the following provisions:

- 1007.01 An application for a zoning permit for permitted use shall be accompanied by two copies of an acceptable site plan with such reasonable information shown thereon as shall be required by the zoning administrator. Such site plan shall include, as a minimum, the following: lot dimensions with property line monuments located thereon; location and size of existing and proposed structures; yard dimensions and the use of structures; easements (private and public); water courses; fences; street names and street right-of-way lines; and such other information regarding abutting property as directly affects the application.
- 1007.02 Each application for a zoning permit shall be accompanied by the required application fee as determined by the Town Council.
(Amended 3/14/11)
- 1007.03 If the proposed excavation, filling, construction, or movement set forth in said sketch or plan are in conformity with the provisions set forth herein and other appropriate codes and regulations of the Town of Stanardsville then in effect, the zoning administrator shall sign and return one copy of the site plan to the applicant and shall issue a zoning permit. The zoning administrator shall retain the application and one copy of the site plan for his records.
- 1007.04 If the application and site plan submitted describes work which does not conform to the requirements set forth herein, the zoning administrator shall not issue a zoning permit, but shall return one copy of the site plan to the applicant along with a signed refusal in writing. Such refusal shall state the reasons for refusal and shall cite the portions of this ordinance with which the submitted plan does not comply. The zoning administrator shall retain one copy of the site plan and one copy of the refusal.

1008.00 APPLICATION PROCEDURES FOR SPECIAL USES

Applications for a zoning permit for a special use shall be submitted to the zoning administrator, who shall refer the application to the governing body for a public hearing. Applications for zoning permits for special uses must be submitted in accordance with the following procedures.

- 1008.01 An application shall be accompanied by two copies of an acceptable site plan providing such reasonable information shown thereon as may be required by the zoning administrator. Such site plan shall include, at a minimum, the following: lot dimensions with property line monuments located thereon; location and size of existing and proposed structure; yard dimensions and the use of

structures; easements (private and public); water courses, fences, street names and street right-of-way lines; and such other information regarding abutting property as directly affects the application.

- 1008.02 Each application for a zoning permit for a special use or other special exception shall be accompanied by the required application fee as determined by the Town Council in order to help defray the cost of public advertising and conducting the public hearing.
(Amended 3/14/11)
- 1008.03 The application shall be sent to the commission for review and recommendation, and said commission shall have sixty (60) days within which to submit a report. If the commission fails to submit a report within a sixty day (60) period, it shall be deemed to have recommended approval of the proposed special use.
- 1008.04 The governing body shall consider the proposed special use or other special exception after notice and public hearing in accordance with Section 15.2-2204 of the Code of Virginia, 1950, as amended, and shall take action on the proposed special use within sixty (60) days from the date of the public hearing.
(Amended 1/6/05)
- 1008.05 In evaluating the proposed special use or other special exception, the governing body shall address the following concerns:
- (1) The effect of the proposed use or special exception on existing and projected traffic volumes in the neighborhood;
 - (2) The current and future need for the proposed use in the Town of Stanardsville; and
 - (3) The character of the existing neighborhood and the effect of the proposed use or special exception on existing property values.
- 1008.06 In approving a proposed special use or other special exception, the governing body may stipulate such additional requirements as are necessary to protect the public interest. The governing body require the applicant to furnish a performance bond in an amount sufficient for and conditioned upon the fulfilling of any and all conditions and requirements stipulated by the governing body.
- 1008.07 If the governing approves the application for a zoning permit for a proposed special use, the zoning administrator shall issue a zoning permit, indicating the special nature of the use.

- 1008.08 If the governing body disapproves the application for a zoning permit for a proposed use or other special exception, the governing body shall inform the applicant of the decision in writing within sixty (60) days from the date of the public hearing, stating the reasons for disapproval. The zoning administrator shall retain one (1) copy of the site plan and two (2) copies of the refusal, and shall keep them as a public record.
- 1008.09 A property owner, or his appointed agent, shall not initiate action for a zoning permit relating to the same special use affecting the same parcel of land more often than once every twelve (12) months.
- 1008.10 A special use permit must be put into effect six (6) months after the date the permit is issued, unless otherwise provided in the permit itself.
- 1009.00 PROCEDURES FOR PROFFERING CONDITIONS TO ZONING DISTRICT REGULATIONS
- 1009.01 Intent. The intent of the section is to provide (pursuant to Section 15.2-2303 in the Code of Virginia) a more flexible and adaptable zoning method to cope with situations found in such zones whereby a zoning reclassification may be allowed subject to certain conditions proffered by the zoning applicant for the protection of the community that are not generally applicable to land similarly zoned.
- 1009.02 Proffer of conditions. An owner may proffer reasonable conditions, in addition to the regulations established elsewhere in this ordinance, as part of an amendment to the zoning district regulations or the zoning district map.
- The proffered conditions shall be in writing and shall be made prior to the public hearing before the Town Council. In addition:
- (1) The rezoning itself must give rise to the need of the conditions;
 - (2) The conditions proffered shall have a reasonable relation to the rezoning;
 - (3) The conditions proffered shall not include a cash contribution to the Town.
- 1009.03 Expiration. Any zoning permit shall automatically expire six (6) months from the date of issuance if the person, firm, or corporation

to which the permit has been issued has not clearly demonstrated that the permit is being exercised for the purpose for which it was issued, or if the work so authorized is suspended or discontinued for a period of six (6) months.

1010.0 CERTIFICATE OF OCCUPANCY

Certificates of occupancy shall be issued by the zoning administrator in accordance with the following provisions:

1010.01 Certificate of occupancy required. A certificate of occupancy shall be required in advance of occupancy or use of:

(1) A building hereafter erected;

(2) A building hereafter altered so as to affect height, or the side, front or rear yard dimensions;

(3) A change of type of occupancy or use of any building or premises;

1010.02 Issuance of certificate of occupancy. The zoning administrator shall sign and issue a certificate of occupancy, as stated on the application for such certificate and signed thereto by the owner or his appointed agent, if it is found to conform to the applicable provisions set forth herein and if the building, as finally constructed, complies with the sketch or plan submitted for the zoning permit.

1010.03 Denial of certificate of occupancy. A certificate of occupancy shall not be issued unless the proposed use of a building or land conforms to the applicable provision set forth herein.
